

Cervical Cancer Awareness Month

Celebrate the women in your life!

Join us for an important presentation and celebration:

Cervical Cancer: Screening Guidelines and Prevention Ideas

Thursday, January 14

7:00 pm

@ Mahopac Public Library

Discussion led by Christina Ventura, BA, MPH
Cancer Services Program of Putnam County

Find out about free cervical, breast, and colorectal cancer screening services in Putnam County.

Cancer information will be distributed and enrollment of uninsured women (age 40-64) and uninsured men (age 50-64) who are interested and eligible for free services will be available.

**January is Cervical Cancer Awareness Month.
Prevention and Early Detection Saves Lives.**

Registration for this program is requested.
Register online @ www.mahopaclibrary.org,
or call 845-628-2009, ext 100.
