

# PUTNAM VETERAN'S REGISTER

An E-mail Newsletter of the Putnam County Veterans Service Agency

We are so excited about the "Veterans Readiness Workshop" that the Putnam County Veterans Service Agency will be co-hosting at the Paladin Center on May 21st. We will be helping to arm those who have served with the weapons they need to be successful outside of the military. This workshop is also for unemployed, under-employed as well as spouses of Veterans. Each attendee of the "Veterans Job Readiness Workshop", will be offered a free suit that they can wear to job interviews. (This offer is only for workshop attendees.) Details will be available that day.

## Veterans Job Readiness Workshop

This free event offers a unique opportunity for Veterans to hear from job and career development experts and learn how to match their experience with what today's employers are looking for. Breakfast and lunch included.

It is important that veterans are in good physical and mental health. So in conjunction with this event

representatives from both the Department of Veterans Affairs (VA) and the New York State Division of Veterans Affairs will be there along with other health care providers. So even if you are not looking for a job but need health information or advice in placing a claim stop by and visit.

My HealthVet is VA's online personal health record. It was designed for Veterans, active duty Servicemembers, their dependents and caregivers. My HealthVet helps you partner with your health care team. It provides you opportunities and tools to make informed decisions and manage your health care
