### **About Jonathan Schneider**

On September 11, 2001, Schneider was attending the New York City police academy. He and his fellow trainees were deployed around New York City for security detail, including at Ground Zero.

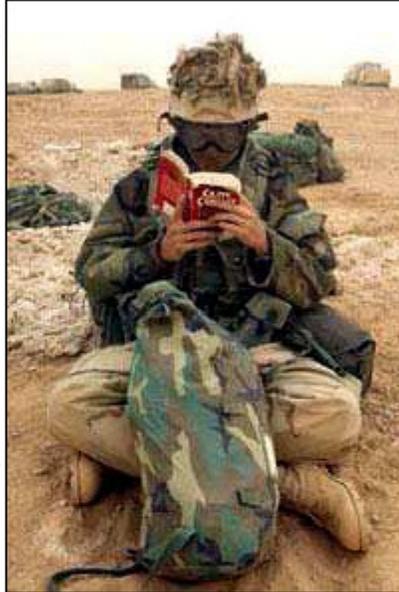

Not long after, Schneider's U.S. Marine Reserve unit was called to active duty training for a year and then deployed to Iraq in 2003. Schneider served for six months until he suffered an injury that ended his military service overseas as well as his pursuit to become a New York City police officer.

Mr. Schneider is currently the President and COO of Schneider Financial Group. He is a member of the Lake Mahopac Rotary, the Greater Mahopac-Carmel Chamber of Commerce, and serves as Director of the Putnam Hospital Center Foundation.
