**Contact: Barbara Ilardi, Public Information Officer, (845)-808-1390**

**FREE Rabies Vaccination Clinic Scheduled for November 5**

Bring your dogs, cats and ferrets to a FREE rabies vaccination clinic on Saturday, November 5, from 2 to 4 p.m. Sponsored by the Putnam County Department of Health, the clinic is being held at Brook Farm Veterinary Center, 2371 Route 22, Patterson, N.Y. and is open to all Putnam County residents.

Please bring photo ID as proof of Putnam County residency, as well as written proof of prior rabies vaccination. Tags are not acceptable. If you do not have a written certificate documenting prior rabies vaccination, your pet will receive a one-year rabies vaccine. All dogs must be leashed and well-controlled. For safety reasons, owners of aggressive animals are discouraged from participating in this clinic. Cats and ferrets must be in a carrier. An animal information/release form will be available and can be completed at the clinic site. For more information and directions, please call the Putnam County Department of Health at (845) 808-1390 ext. 43127.

The mission of the Putnam County Department of Health is to improve and protect the health of our community, composed of nearly 100,000 residents. Core services include community health assessment, disease surveillance and control, emergency preparedness, environmental health protection, family health promotion and health education. For more information, please visit [www.putnamcountyny.gov](http://www.putnamcountyny.gov) or visit our social media sites on Facebook at [www.facebook.com/putnamhealth](http://www.facebook.com/putnamhealth) and Twitter @PutnamHealthNY.
