Each person issued a license under this chapter will also be issued a vehicle decal which must be affixed prominently on all vehicles owned, leased or used by the license or certification holder in the performance of his or her trade or business.

Section 145-18 (D):

All vehicles which are owned, leased or used in the name of a business entity, the owners, principals and/or employees of which are subject to the provisions of this chapter, must prominently display the business name.

Section 145-18 (F): Failure to comply with the provisions of this section shall be a violation of this chapter and shall subject the licensee and/or holder to the sanctions provided for herein.

Current violation fees are:
