PHYSICIAN SECTION

I, _____ am a physician licensed to practice under
(print name of physician)
the laws of the State of New York. It is my medical opinion that the applicant identified on this form is a “disabled person” within the meaning of that term as set forth by the definitions below:

Please check one:

___ **Blind:** Having central visual acuity of 20/200 or less in the better eye with the use of correcting lens, whose peripheral vision is limited to a level of ten degrees. (Putnam County will accept the New York State Commission for the Blind and Visually Handicapped’s Certification of Blindness in lieu of a separate medical examination).

___ **Deaf:** Complete Lack of bone conduction in both ears or a hearing loss of 80 decibels or greater as verified by audiometric testing.

___ **Ambulatory Disability:** The person is unable to move about without the aid of a wheelchair, walker, crutches, or a cane, or:

- The person suffers from a heart or respiratory ailment which makes it impossible or unadvisable to walk for long distances, or:
- The person has an obvious and serious disorder of gait, which substantially interferes with the use of mass transportation facilities.

___ **Developmental Disability:** A handicapping condition originating before age 22 and continuing indefinitely which is attributable to Cerebral Palsy, Autism, Neurological Impairment, Mental Retardation, or Epilepsy.

___ ***Mentally Retarded:** The person has an IQ of 69 or less or has a physical or mental impairment resulting in restriction of function. The county of Putnam will accept a certificate from an accredited institution for treatment or education of the mentally retarded.

***As determined by the Stanford-Binet, W.I.S.C., W.A.I.S., or conversion of the Raven Progression Matrices.**

___ **Mental Illness:** The person has a mental disease or mental condition which is manifested by a disorder or disturbance in behavior, feeling, thinking, or judgment to such an extent that the person so afflicted requires care, treatment, and rehabilitation by psychiatrist or psychologist in a mental hospital or certified day program.

Is the disabling condition, checked above, permanent?

Yes ___ No ___ If no, how long will the condition last: _____
