

EARLY INTERVENTION SERVICE COORDINATOR

DISTINGUISHING FEATURES OF THE CLASS: This is specialized professional social casework which primarily involves responsibility for coordinating the direct delivery of early intervention services to challenged infants and toddlers under three years of age and their families. Work is performed in accordance with New York State Department of Health regulations and guidelines. Direct supervision is provided by the Administrator of Early Intervention & Pre-School Programs. Supervision of others is not a responsibility of this position. Performs related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative only)

Coordinates and arranges for services for clients and placement in appropriate programs;

Receives and reviews early intervention-related referrals and contacts families (including home visits) in order to gather information and observe family relationships;

Arranges for interdisciplinary team evaluations and chairs team meetings designed for diagnosis and treatment of challenged infants and toddlers under the age of three;

Monitors the fiscal impact of individual service plans including case budgets, third party reimbursements, entitlement programs, etc. in order to ensure optimal use of resources and cost containment;

Counsels families and may intervene when necessary;

Prepares reports and maintains records;

May attend professional meetings, conferences and workshops;

Performs a variety of related activities as required.

Typical Work Activities are intended only as illustrations of possible types of work that might be appropriately assigned to an incumbent of this title. Work activities that do not appear above are not excluded as appropriate work assignments, as long as they can be reasonably understood to be within the logical limits of the job.

FULL PERFORMANCE KNOWLEDGES, SKILLS, ABILITIES AND PERSONAL
