OLD BUSINESS:

The Town of Poughkeepsie contacted our office for an unrelated reason. Bruce Flowers resigned around six months ago. No one was picking up his phone messages or email. Ms. Sorrento explained to the new Secretary that our IMA must be agreed upon yearly and that it has not been for the last two years. Mr. Mancone and Mr. Losee are planning to attend the next meeting where they will discuss the agreement.

COMPLIANCE:

Findings of fact was mailed first class, certified/return receipt, and emailed to Joseph Madigan, and the certified mail card was returned signed. No payment to date. Final notice will be mailed.

Halit Muda was issued violation #P3491B on March 3, 2023 and paid the reduced fee of \$1,250.00 in person on March 7, 2023. Mr. Muda was found working without a license. He has submitted an application to take the test.

Professional Water Systems had a check returned as insufficient. They sent a replacement check and the return check fee.

ADJOURNMENT: The next meeting is scheduled for April 13, 2023.
