PROTECTIVE SERVICES COMMITTEE MEETING
Held via Audio Webinar Pursuant to Temporary Emergency Orders

Members: Chairman Jonke & Legislators Nacerino & Sullivan

Tuesday **6:00PM** **August 11, 2020**

The meeting was called to order at 6:00PM by Chairman Jonke who requested Legislator Albano lead in the Pledge of Allegiance. Upon roll call Legislators Nacerino, Sullivan and Chairman Jonke were present.

Item #3 - Approval/ Protective Services Committee Meeting Minutes/ July 14, 2020

Chairman Jonke stated the minutes were accepted as submitted.

Item #4 - Approval/ Budgetary Amendment (20A043)/ To Account for NYS Indigent Legal Services Second Update Quality Improvement and Caseload Reduction Agreement/ Commissioner of Finance William Carlin (came in 7/30)

Commissioner of Finance William Carlin stated this is standard. He stated it is done once a year. He sated once the Indigent Legal Services (ILS) Agreements are signed with the State and the revenue begins to come back to the County.

Chairman Jonke stated the amount is $200,000.

Chairman Jonke made a motion to approve Budgetary Amendment (20A043)/ To Account for NYS Indigent Legal Services Second Update Quality Improvement and Caseload Reduction Agreement; Seconded by Legislator Nacerino. All in favor.

Item #5 - Other Business

Chairman Jonke made a motion to waive the Rules and Accept Other Business; Seconded by Legislator Nacerino. All in favor.

a. **Approval/ Fund Transfer (20T0143)/ Bureau of Emergency Services (BES)– Dispatchers/ BES Commissioner Clair**

Chairman Jonke requested that Commissioner Clair please speak to this request.

Commissioner Clair stated currently the Bureau of Emergency Services (BES) is in the negative for the Temporary Budget Line for the Dispatchers. He stated due to two (2) vacancies, that came about earlier this year, have had a impact on the department of the Dispatchers. He stated they were fortunate in that a past dispatcher contacted the County and offered to come back part-time to assist. He stated they could not refuse. He stated the individual required minimal training to be brought up to speed. He stated to date there are three (3) Dispatchers in training.

He explained COVID -19 has had a huge impact on his department and the storm, Hurricane Isaias, that just went through Putnam County. He stated his regular Dispatchers are working around the clock.

Legislator Montgomery questioned if the grant funding the County received to cover some expenses incurred by COVID-19 could be applied to the extra expenses being incurred in the BES. She stated we will most likely see much more of these expenses related to COVID-19 coming from the BES and the Health Department and it makes sense that the COVID-19 Grant funding be used. She stated the last COVID-19 Grant approved went toward personnel costs. She stated that she thought it was funding for planning and response. She stated the past COVID -19 Grant funding is going towards a salary, which was already allocated and budgeted in the County's budget. She stated that does not seem to be the best use of the funding.

Commissioner Finance Carlin stated in terms of possible FEMA reimbursement the County will ask for overtime hours that were specifically related to COVID-19 response. He stated the County needs to lay out the money and hopefully the County will receive funds to assist with said costs.

Legislator Montgomery stated the grant approved last month in Protectives Services, the FY2020 Emergency Management Performance Gant- COVID 19 Supplemental issued by Homeland Security, was to go toward the County's expenses related to COVID-19 response. She stated she was told that funding was going toward the Deputy Commissioner of BES salary. She stated that salary was already included in the 2020 budget. She stated why wouldn't our COVID-19 grant funding go towards COVID-19 related costs.

Legislator Sayegh explained how the County's 50% match was covered with in-kind services.

Chairman Jonke made a motion to approve Fund Transfer (20T0143)/ Bureau of Emergency Services (BES)– Dispatchers; Seconded by Legislator Sullivan. All in favor.

Item #6 - Adjournment

There being no further business at 6:15PM Chairman Jonke made a motion to adjourn; Seconded by Legislator Nacerino. All in favor.

Respectfully submitted by Deputy Clerk of the Legislature Diane Trabulsy.

Sheriff,

I'm requesting the following budget transfers within the Communications and Patrol division. As we have discussed the budget line 17311000-54560 in the Patrol division for "equipment rental lease" will have a surplus of $50,678. This surplus is largely due to the way in which the lease agreement for the new patrol laptops were procured by County. Due to Commissioner Carlin and Director Mazzotta diligence they are credited with negotiating a better lease agreement for the County to include a lower interest rate, and a first payment not until 2021. In addition we choose not to purchase the extended warranty (year 4-5) for the laptops, they come with a 3 year warranty and based upon the reliability of the current H/P laptops we feel confident we would have limited exposure to the cost of repairs should we need any in years 4 and 5. Also we could budget for any repairs or replacement in the year 2024 or 2025. We have also reviewed our cradle point licenses with our provider, and will continue the licenses though November 2021 then re-negotiate for budget year 2022.

As indicated in the attached email we discussed funding the integration of our LMR system to the cellular PTT app. This application will provide an additional means of communications to Deputies. We understand cellular coverage and RF coverage work on two different antenna systems though out the county, and 100% coverage cannot be guaranteed. Although with the integration of the two systems we should see an increase in coverage, which helps in mitigating some of the risk associated with the PESH violation.

Thanks,
Jim

From: Paul E. Jonke

Re: Status Report- Sheriff's Department Overtime Lines

Respectfully, I request that you provide a status report of the Overtime Lines in your department to date. As we are approaching the Legislature's review of the 2021 budget, a current report of said overtime will be useful.

At the April 15, 2020 Protective Services meeting you mentioned that you anticipated having a better idea of the 2020 Overtime in the department as it corresponds with the Sheriff's Department's Budget after the second quarter. I look forward to your update.

Please be advised that the Protective Services Meeting is scheduled for Thursday, September 24, 2020. At this time, the meeting will be conducted via audio webinar.

Thank you.

I am contacting you to make notification of an available grant the Putnam County Sheriff's Department has applied for. The Sheriff's Department has applied for and received money from the Governor's Traffic Safety Committee the past 6 years. The grant is for 2 separate initiatives, a seatbelt mobilization enforcement initiative and an aggressive drive initiative. The 2021 grant deadline was May 1, 2020. On August 7, 2020 the Sheriff's Department was awarded $2,889 for the seatbelt initiative and $9,000 for the aggressive driving initiative. These funds are used to reimburse the department for overtime costs associated with these dedicated enforcement details.

Sincerely,
