96 Putnam Residents Tested for COVID-19 at Drive-Thru Clinic

BREWSTER, NY— PCDOH nurses tested 96 Putnam residents for COVID-19 today, finishing the most recent delivery of testing kits from NYSDOH. Environmental Health staff members were on hand to help direct traffic and check-in residents.

Although PCDOH will not be able to test until more supplies are delivered, Putnam residents with symptoms can still be tested by NYSDOH and other private healthcare providers. To be tested by NYSDOH, please complete an assessment at covid19screening.health.ny.gov/ or call 1-888-364-3065

The mission of the Putnam County Department of Health, nationally accredited by the Public Health Accreditation Board (PHAB), is to improve and protect the health of the Putnam County community, composed of nearly 100,000 residents. Core services include community health assessment, disease surveillance and control, emergency preparedness, environmental health protection, family health promotion and health education. For more information, please visit our County website at www.putnamcountyny.com/coronavirus; or visit our social media sites on Facebook at www.facebook.com/putnamhealthny and Twitter [@PutnamHealthNY](https://twitter.com/PutnamHealthNY).
