203.1 PURPOSE AND SCOPE

This policy establishes general guidelines for how training is to be identified, conducted and documented. This policy is not meant to address all specific training endeavors or identify every required training topic.

203.2 POLICY

The Office shall administer a training program that will meet the standards of federal, state, local and the New York State Division of Criminal Justice Services (DCJS) training requirements. It is a priority of this office to provide continuing education and training for the professional growth and development of its members.

203.3 OBJECTIVES

The objectives of the training program are to:

- (b) Increase the technical expertise and overall effectiveness of office members.
- (c) Provide for continued professional development of office members.
- (d) Ensure compliance with DCJS rules and regulations concerning law enforcement training.

203.4 TRAINING PLAN

It is the responsibility of the Division Captain or designee to develop, review, update and maintain a training plan and to ensure that mandated basic, in-service and office-required training is completed by all members as needed or required. The training plan should include the anticipated costs associated with each type of training, including attendee salaries and backfill costs. The plan should include a systematic and detailed method for recording and logging of all training for all members.

While updates and revisions may be made to any portion of the training plan at any time it is deemed necessary, the Division Captain or designee shall review the entire training plan on an annual basis.

The plan will include information on curriculum, training material, training facilities and scheduling. The plan will address federal, state and office-required, minimum-mandated training of deputies and other members.

203.4.1 MANDATED ANNUAL TRAINING

The annual training plan shall include a minimum of 21 hours of annual in-service training. At a minimum, the plan must include training in firearms, legal updates, and the use of force and deadly

force. Firearms training must include actual range training. The Division Captain or designee should consider recommendations from the Training Committee to supplement these topics.

Only deputies who are certified as general topic or specific topic instructors, as the type of training necessitates, shall be utilized for the mandatory 21 hours of training within the annual training plan (9 NYCRR § 6023.1 et seq.; 9 NYCRR § 6024.1 et seq.).

The annual training plan must include training for all supervisors that is designed to enhance supervisory skills.

203.4.2 SPECIALIZED TRAINING

The Division Captain shall identify the positions that require specialized training beyond that provided in the Municipal Police Training Council (MPTC) Basic Course for Police Officers or the annual training plan. Specialized training may include technical and job specific subjects needed to provide skills, knowledge and ability to adequately perform the tasks required for the specific position.

Examples of specialized training may include, but are not limited to, firearms, defensive tactics, canine, Special Weapons and Tactics (SWAT), scuba, bomb disposal, mounted patrol, investigative specialists and field training officer (FTO). Specialized training will be conducted as soon as possible after appointment and will be periodically evaluated to determine if supplemental training is necessary.

203.6 TRAINING COMMITTEE

The Division Captain may establish a Training Committee, on a temporary or as-needed basis, which will assist with identifying training needs.

The Training Committee should be comprised of at least three members, with the senior ranking member of the committee acting as the chairperson. Committee members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Division Captain may remove or replace members of the committee at his/her discretion.

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to an incident. Specific incidents the Training Committee should review include, but are not limited to:

- (a) Any incident involving the death or serious injury of a member.
- (b) Incidents involving a high risk of death, serious injury or civil liability.
- (c) Incidents identified by the Office to determine possible training needs.

The Training Committee should convene on a regular basis, as determined by the Division Captain, to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Division Captain. The recommendation should not identify specific facts of any incidents, such as identities of members involved or the date, time and location of the incident, but should focus on the type of training being recommended.

The Division Captain will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Office and the available resources. Training recommendations as determined by the Division Captain shall be submitted to the command staff for review.

203.7 TRAINING ATTENDANCE

203.8 DAILY TRAINING BULLETINS

The Lexipol Daily Training Bulletins (DTBs) are contained in a Web-accessed system that provides training on the Putnam County Sheriff's Office Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Division Captain or designee.

Members assigned to participate in DTBs shall only use the login credentials assigned to them by the Division Captain or designee. Members should not share their password with others and should frequently change their password to protect the security of the system. After each session, members should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Office.

Members who are assigned to participate in the DTB program should complete each DTB at the beginning of their shifts or as otherwise directed by their supervisor. Members should not allow uncompleted DTBs to build up over time, and may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet-enabled computer, members shall only take DTBs as part of their on-duty assignments, unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of those under their command to ensure compliance with this policy.

203.9 TRAINING RECORDS

The Undersheriff is responsible for the creation, filing and storage of all training records. Training records shall be retained in accordance with the established records retention schedule. The Division Captain will ensure that all employee training records are up-to-date and properly documented for all sworn personnel. Such records will include the dates attended, the total amount of hours and the name of the course. The Division Captain will ensure that accurate records are on file for all training courses sponsored by the Putnam County Sheriff's Office and/or attended by sworn personnel, including copies of lesson plans, curricula or course descriptions. Such records shall be retained indefinitely.
